## **Personnel Training and Safety – Minimum Training Requirements**

### **Guideline Statement**

All Animal Control personnel should receive minimum training and seek certification in compliance with state law. Training should include ongoing in-service training in animal control.

### **Basis for Guideline**

Training provides Animal Control personnel with the minimum skills necessary to adequately prepare them for the duties they are about to perform.

### **Guideline Recommendation**

A certified training program, preferably the NACA 100 Level 1 and Level II Training Academy which would include all aspects of animal handling, disease detection, report writing, constitutional law, and professionalism.

Reviewed/Revised by the NACA Corporate Office - 09/17/02

The foregoing Guideline has been affirmed as duly adopted by the NACA Board of Directors.
