NATIONAL ANIMAL CARE & CONTROL ASSOCIATION

2020 MEDIA KIT
ABOUT NACA

The National Animal Care & Control Association (NACA) was formed in 1978 for the express purpose of assisting its members to perform their duties in a professional manner. We believe only carefully selected and properly trained animal care and control personnel can correct community problems resulting from irresponsible animal ownership. NACA’s purpose is to preserve the human-animal bond by insisting on responsible animal ownership.

Vision

NACA envisions a world in which all animal care and control professionals are respected as essential public servants and receive consistent support, resources, and training allowing them to effectively and compassionately achieve the highest quality of life for the animals and citizens in the communities they serve.

Mission

NACA is a nonprofit organization that is committed to setting the standard of professionalism in animal welfare and public safety through training, networking, and advocacy.
