

Lost Pet Prevention Checklist

- Identification – Tag and collars / microchip updated
- Spay / Neuter to avoid wandering
- Recall training
- Check screens & fences
- Take precautions when changing routines – vacations, construction, etc.
- Prepare for extreme weather and loud noise (fireworks, etc.)
- Always keep a recent photo of your pet on your phone
- Know the steps to take should your pet go missing!
- Preregister on reunification apps such as Petco Love Lost, and Neighbors by Ring
